Mr. Robert H. C. Marchant,
Ioka, Utah.

Dear Mr. Marchant:

RE: SAND WASH DIST.

Absence from the city has delayed my acknowledging receipt of your statement on account on Sand Wash.

At the present time this fund is overdrawn more than \$80 and I do not dare to make an additional overdraft with things as they are at present.

The main delinquent account is the Dry Gulch Company to whom I am writing today and it might be well for you, if you see any of the officers, to press them for payment.

Yours very truly,

State Engineer.
